The purpose of the Woodinville Rotary Wine Industry Scholarship is to encourage and financially assist a student interested in pursuing a career in some aspect of the state's wine industry. The scholarship is limited to those enrolled in the viticulture-enology program at Walla Walla Community College and Washington State University. Primary consideration will be given applicants who have either resided in or have attended secondary schools in the Woodinville area and the Northshore School District. The scholarship may be renewed for one additional academic year based on the recipient's making adequate progress toward graduation. The selection process may include interviews and recommendation from college staff members involved in the Viticulture-Enology degree-granting program.
