The purpose of the Darren Lindal Aviation Scholarship is to assist a deserving student with formal training to become a pilot, instructor, ground crew specialist, air controller, aero-engineer or enter the field of aviation administration. Priority is given to candidates who demonstrate that without financial assistance it is unlikely the individual would be able to complete instruction or courses required to meet requirements and qualifications in their chosen career path. Priority consideration will also be given those who have attended schools or who are residents of the Northshore School District.
